

Year 4 KNOWLEDGE ORGANISER

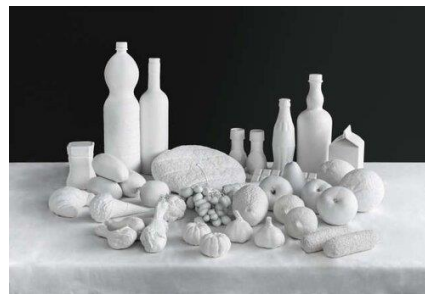

Art- Sculpture.

ESSENTIAL VOCABULARY

sculpture	Make or represent by carving, casting or other shaping techniques.
3D	Three dimensional - Art sculptures are works of art that present the dimensions of height, width, and depth.
manipulate	Skillful handling, controlling or using of something.
malleable	Ability of a material or substance to be easily shaped or formed.
materials	The matter from which something is or can be made.
natural	Existing in or derived from nature; not made or caused by humankind.
techniques	Skill or ability.
kneading	Massage or squeeze with the hands.
textural	Relating to the feel, appearance, or consistency of a surface or a substance.
effects	A change which is a result or consequence of an action.
properties	A characteristic or quality.
installation	An art exhibit that is there for a short time to have a big impact.

What Is Sculpture?

Sculpture is using different **materials** to create 3D structures.

Artist Profile: Itamar Gilboa

Born in Tel Aviv in 1973, he is an artist who wants to tell a story. In 2014 he created the Food Chain Project. He did this to make people more aware of the amount of food they are buying, but not consuming and the impact this has on the world.

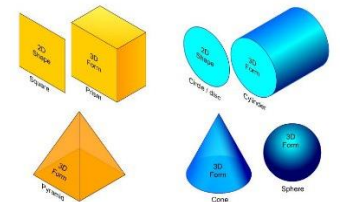

Using Line, Shape, Form and Space

Sculptors use line, shape, form and space when creating their work.

- Lines create outlines and they can be different lengths or widths.
 - Lines which meet up create shapes.
 - Form creates depth and 3D shapes.
- Space lies around, in or between an object

2d and 3d Form

What is the difference?

Using Different Materials

Sculptures can be created using many different types of **materials** such as:

- cardboard
- plastic
- concrete
- food
- ice
- wood
- clay

Sculpting techniques

Techniques to try

GOLDEN VOCABULARY

clay	A stiff, sticky fine-grained earth that can be moulded when wet, and is dried and baked to make bricks, pottery and ceramics.
tools	A device or implement, especially one held in the hand, used to carry out a particular function.
mould	To form an object out of a malleable object.
rolling	Moving over and over.
